Manager Comment

The performance in November amounts to 0.27%. This includes approximately 0.02% from the recovery of a consumer credit that had previously been fully written down. Provisions for losses incurred but not yet realized stand at 0.58% (+0.01%). The slight increase results from the utilization of provisions for loans for which debt collection proceedings had to be initiated. Deal flow remains stable.

Performance: Every investment is associated with risks, especially with regard to fluctuations in value and return. Positive performance in the past or an indication of such is no guarantee of positive performance in the future. Collective capital investments are volatile and can also result in the total loss of the invested capital and any income. The performance data do not take account of the costs and commissions levied on subscriptions and redemptions of fund shares. Further, no guarantee can be given that the fund's performance will reach or exceed that of the benchmark. Positive performance in the past or an indication of such is no guarantee of positive performance in the future. Investments in foreign currencies are exposed to currency fluctuations, and there is further risk that the foreign currency will decrease in value against the investor's reference currency. Distribution in Switzerland: This collective investment scheme may be distributed only to qualified investors domiciled in Switzerland in accordance with Article 10 CISCA. The fund has appointed 1741 Fund Solutions Ltd, Burggraben 16, 9000 St. Gallen, as its Swiss representative and Tellico Ltd, Bahnhofstrasse 4, 6431 Schwyz, as its Swiss paying agent. The prospectus, KIIDs (if any), the articles of association or fund contract as well as the annual and semi-annual reports (if any) may be obtained free of charge from the Swiss representative. In respect of the units distributed in and from Switzerland, the place of performance and jurisdiction is the registered office of the Swiss representative.
